ABOUT PRESCRIPTION FOR SERVICE

Prescription for Service, sponsored by Walmart Stores, Inc., was established in 2012 as a national scholarship competition to grant SNPhA students the funds needed to make an impact on underserved communities. The experience teaches the value of community outreach, teamwork, and leadership, while promoting the profession of pharmacy. Five finalist teams are selected to each receive a grant used to make a difference in their community. The team that has the greatest impact will be awarded a scholarship to aid in their education as future pharmacists.

SUBMISSIONS ARE ACCEPTED FROM ALL CHAPTERS ACROSS THE NATION.
