About Prescription for Service Competition

"Promoting Quality, Affordable and Accessible Healthcare for Everyone"

Prescription for Service, sponsored by Walmart Stores, Inc. and Sam's Club, was established in 2012 as a national scholarship competition to grant SNPhA students the funds needed to make an impact in underserved communities. This experience teaches students the value of community outreach, teamwork, and leadership, while promoting the profession of pharmacy. Five Regional SNPhA team finalist are selected to receive grants and make a difference in their community. The team that has the greatest impact will be awarded a scholarship to aid in their education as future pharmacists.

What would YOUR chapter do with \$2,500 grant?

Regional Winners are announced at...
