

Resource Challenge Patient Handout Challenge

Purpose:

SNPhA Resource Committee's mission is to build a working library of SNPhA-branded resources that will be available to members on www.snpha.org. These resources will consist of patient-friendly information to enhance the education we provide to patients and event participants. The committee is asking for initiative chair's assistance by having initiative chairs challenging chapters within their initiative to create various resources throughout the year.

Steps:

- Create an informational flyer about general vaccine information tailored to people receiving a **vaccine of your choosing**
- Include the Operation Immunization logo and SNPhA logo (please do not include Strength in Purpose logo)
- Do not plagiarize!
- Be creative!
- Submit for CIC points
- The chapters with the most points outlined below will be featured on the SNPhA website and will be used in future years
- May choose to make up to **3 Flyer of different flyers for different vaccines: Maximum points up to 1500 CIC**
